Joppatowne Rec Lacrosse

Frequently asked questions:

Q. What equipment does my child need in order to participate?

A. Girls need a lacrosse stick, mouth-guard, cleats, and goggles.

Boys are provided with equipment except for cleats and stick. All protective equipment can be leased to you . A deposit check will need to be provided and will be returned to you at the end of the season when all equipment is returned. If you do not return the equipment then the check will be cashed.

Q. How much time should I expect to commit?

A. Most teams will practice at least 2-3 times per week for at least 1-2 hours, games begin in April and last through early June. Coaches will provide practice dates/times in February and game scheduled should be available approximately the 1st week of April.

Q. How will I be notified of practice and game changes due to inclement weather?

A. Parents should follow the Joppatowne Rec Lacrosse page on Facebook for updates. Team mom's will call and/or send emails to update parents as well.

Q. How can I volunteer to help JRC?

A. Teams will often need volunteers for Team Mom and Assistant Coach positions. We will also need volunteers for the Jamboree (at least 3 parents per team). To learn more about volunteer opportunities email Stephanie Safchuck at safchucks@comcast.net .
